Dear Colleagues,

We look forward to seeing you at a joint meeting of the CIO Council and the Financial Deans on Thursday, July 9, from 9:00 – 11:00AM, at the Forum Room of Lamont Library.

We hope this session will be a good opportunity to share information on the intersections of our work and to consider ways in which we can be strategic partners for one another. Topics that touch on our interests as a combined group include:

- The updated University IT Strategic Plan
- Integrated Planning for IT
- The process and results of the IT Capital Review Board

Materials are attached for your consideration. In the meantime, please do not hesitate to let us know if you have any thoughts or questions.

We very much look forward to seeing you on July 9.
